Dear Quest Parents/Guardians:

April 30, 2021

We are pleased to share with you that we are on a Quest to finish strong and would like to thank you for your continued support! This letter is to keep you informed of upcoming school events, and information. Listed below are few reminders and updates:

- **Scholars who do not complete their grade level exit expectations or do not attend summer school will not be on track to graduate or be promoted to the next grade level.** We are enclosing another copy of the grade level expectations for your reference. Please review the grade level expectations with your scholar(s) on a regular basis and make sure they are completing these expectations so that he/she will be promoted to the next grade level and will not have to attend summer school.
- **Summer School is from June 14th through July 2nd.** Parents you will be notified in writing by your scholar's administrator, if your scholar will need to attend summer school.
- **SLC's (student-led conferences)** are set for May 5th from 4PM to 7PM and May 6th from 1:30 PM to 4PM. The SLC's are virtual and you will receive a google meeting link from your scholar's mentoring teacher. **On May 6th & May 7th scholars will be dismissed at 12:30 PM.**
- All fees should be paid and technology returned prior to the last day of school. **If fees are not paid or the technology device has not been returned scholars will not receive their final report card or transcript until their fees are paid.**
- **Please provide your scholar's school secretary a 24-48 hour notification when your child has a medical appointment.** This will help us adhere to our school-wide expectations of **no early dismissals.**
- We are implementing an academic exemption for scholars who have successfully completed their grade level exit expectations. See the attached letter and exemption form for details. Any questions please contact your scholar's mentor teacher or school administrators.
- All scholars must be in compliance with dentals and physical requirements in order to be promoted.
- If your scholar rides the bus, please remind him/her to sit in their assigned seat on the bus. This is critical in the case of contact tracing.
- No outside food, cupcakes, balloons, etc.
- Doors open at 8:00 AM for breakfast and for scholars to report to class.
- If your scholar arrives after 8:40 AM, a parent must accompany the scholar to the entrance. All tardies are documented.
- Please keep your phone number and address updated in Skyward by calling the office of your child's school. This is important so you can receive up to date information about school events, buses, etc.
- **Save the date! 8th grade promotion is the morning of June 3, 2021**
12th grade graduation is the afternoon of June 3, 2021

We are excited to finish this year strong. If you have any questions or concerns, please don't hesitate to contact us.

Sincerely,

Quest Charter Academy Administration

Peoria's School for Science, Technology, Engineering, Arts, and Mathematics
